

## Vision

**Working inside and outside the health care system, we will create healthier communities and transform the delivery and financing of care to enable all Iowans to live longer and healthier lives.**

# Healthy Communities

**Healthy Communities Workgroup** is charged with creating a three (3) year Roadmap that:

- Defines the attributes of a healthy community;
- Outlines partners inside and outside the healthcare system needed to develop healthy communities;
- Recommends strategies and methods for educating and equipping communities which incorporates payer agnostic principles;
- Acknowledges and plans for dependencies and economic impacts with transition; and
- Includes measures and milestones of success.

## Sharing and Use Data

**Sharing and Use of Data Workgroup** is charged with creating a three (3) year Roadmap that:

- Defines the attributes of successful use and sharing of data including type of data, resource needs, information exchange needs.
- Outlines the barriers to success for use and sharing of data and recommends strategies for overcoming barriers regarding capabilities, alignment and standards needed to promote data exchange across the following domains:
  - Interoperability at the point of service;
  - Identification of high needs/high utilizers; and
  - Access to claims data for measuring and monitoring total cost of care.
- Acknowledges and plans for emerging technology; and
- Includes measures and milestones of success.
